MEDIA KIT 2026

FROM THE FIELD TO THE FEED.

Flexible production. Platform-ready delivery.

CCH Media combines firsthand field knowledge, professional camera and drone operations, social listening and creative direction to identify stories, capture them quickly and shape the final content for the platform and audience.

WHAT WE CAN DELIVER

SHORT-FORM VIDEO

Vertical clips, quick updates and concise story-driven pieces.

EDITED VIDEO REPORTS

Finished reports with runtime shaped by the story.

PHOTO + AERIAL COVERAGE

Ground photography plus FAA Part 107 drone photo/video when appropriate.

PROGRESS + EVENT COVERAGE

Construction updates, openings, launches and activations.

WAYS TO WORK TOGETHER

ONE-OFF CONTENT PROJECTS

A focused assignment built around a specific story or need.

MONTHLY CONTENT RETAINERS

Recurring production, scouting and field coverage.

UGC + BRAND CAMPAIGNS

Creator-led content, integrations and usage rights.

EDITORIAL + FIELD SUPPORT

On-location video, photos, B-roll and story discovery.

MORE THAN A CAMERA. A SET OF EYES ON THE MARKET.

Local awareness and social listening help uncover timely, visual stories before the camera turns on. CCH Media can scout, shoot, edit and deliver quickly, with creative decisions shaped by what the story actually needs.
